attaché™ OPTIMA

Fast and Secured the Attaché™ Optima will become the new standard for people who expect high performance and high security for their flash drive.

With a speed up to 25MB/s, and the Carry It Easy software to protect your data, you will discover what speed and safety really mean!

More than a single fast flash drive, the Attaché™ Optima is **Enhanced for Windows® ReadyBoost™**! It will help to punctually faster your PC!

Enhanced for Windows® ReadyBoost™

To protect your data with a 128-bit AES Encryption that is the challenge which PNY and Carry It Easy™ have taken up with Attaché™ Optima.

Carry It Easy ™ is a **Pre-loaded** software which you can run without out administration rights and which will enable you to set up a **Password** to prevent unauthorized read/write access to all or part of your USB flash drive. It will enable you to synchronize your data and protect them by a **128-bit AES encryption**.
